8TH ANNUAL

Updates in Clinical Nutrition Conference

childrenscolorado.org/ce

November 1, 2019

Live Site: Children's Hospital Colorado
Conference & Education Center
Aurora, CO

Video Conference Sites TBD –
Register by Friday, October 4th

Children's Hospital Colorado

Affiliated with
University of Colorado
Anschutz Medical Campus

Overview and Target Audience

This conference is intended to present the most current research and application for clinical nutrition practice areas for the care of infants and children and will be of interest to staff at Children's Colorado, community physicians, nurses, dietitians and other multidisciplinary healthcare providers.

Educational Objectives

- Discuss the management and multidisciplinary team approach for neonatal nutrition in the NICU and post discharge.
- Improve ability to assess, identify, and diagnose malnutrition in pediatric patients.
- Review the evolving role of food based formula usage in pediatric nutrition.
- Explain different types of breast milk fortification, infant and pediatric formulas and feeding criteria for each.

Continuing Education Credit

Upon completion of the evaluation, a certificate of attendance will be provided.

Medical: Children's Hospital Colorado is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Children's Hospital Colorado designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Dietitians and DTR's: Children's Hospital Colorado Department of Clinical Nutrition is a CPE Accredited Provider from the Commission on Dietetic Registration. This conference will provide 6.5 continuing professional education units (CPE) for RDN's and DTR's.

Location and Parking

This conference will be held on the Anschutz Medical Campus at Children's Hospital Colorado, 13123 East 16th Ave, Aurora, Colorado. Please enter the hospital at the main entrance and take the elevators to the Conference and Education Center on the second floor.

Children's Colorado and University of Colorado Hospital employees must park in their designated area. Free parking for conference guests is available in **Lot #10 Visitor Parking** located on Victor Street, just east of the hospital's main entrance.

Please visit childrenscolorado.org/directions for driving directions to Children's Colorado.

Please use Corporate Code: **CR79597** when making your reservation.

Children's Hospital Colorado Dietetic Internship

The Dietetic Internship Program on the Anschutz Medical Campus offers dietetic interns a unique opportunity to learn from outstanding nutrition educators and providers about how to support the care of pediatric and adult patients. Our interns experience hands-on learning in the company of some of the top researchers and clinicians in the country, while serving patients at two remarkable hospitals, Children's Hospital Colorado and University of Colorado Hospital. The full-time, 42-week program prepares dietetic interns for entry-level positions as Registered Dietitian Nutritionists and to become leaders in clinical nutrition, nutrition education and nutrition research for children, adults and families.

The 7th class of Dietetic Interns is currently training at Children's Colorado, University of Colorado Hospital and other facilities on the Anschutz Medical Campus. For more information about Children's Colorado Dietetic Internship program, please contact Susan Gills at 720-777-0928 or susan.gills@childrenscolorado.org. For more information on accreditation and dietetic internships, visit eatright.org/acend.
