

Dear Member,

Our annual conference brings together Registered Dietitian Nutritionists (RDNs) and Nutrition and Dietetics Technicians, Registered (NDTR) from across the state of Colorado for continuing education and networking. This year, our conference will be virtual and we will host 12 webinars over the course of six months. We are extending the webinar series to our membership of 1,276 RDNs and NDTRs. As a current CAND member, we invite you to take advantage of these deeply discounted sponsorship opportunities. Your sponsorship allows us to host engaging, high-quality sessions and meaningful networking opportunities. Sponsorship options are listed below.
